Final Exam FAQs

Do we have to go to advisory when we arrive to school?

No. There is no advisory on final exam days. We strongly suggest that you arrive at least fifteen (15) minutes prior to your first exam. This will allow you enough time to go to your locker and relax for a moment before your exam. In order to minimize disruptions during final exams, students who are late (to any of their exams) will not be admitted to the classroom. Tardy students will be sent to the library and the student will need to schedule a make-up exam with their teacher.

Is lunch on- or off- campus?

All students (not just 12th graders) can take off-campus lunch between 11:44 and 12:44 on these days. All students must be in their afternoon final exams by 12:54. All students must return to the building before 12:44 pm. Students who are late returning from lunch will not be allowed into the next final exam session. This is to avoid disrupting ongoing exams. Students who do not return on time will need to take make-up exams. Late students will be sent to the library. Of course, lunch will continue to be served on campus and all students are welcome to stay on campus for lunch. The privilege of off-campus lunch is contingent on student attendance during the semester.

Do students with 2A/3A lunch need to be at school?

Yes. Students must be in school for the entire day (official day-8:30am-2:26pm) with the exception of their off campus lunch. We suggest that you arrive by 8am to swipe-in. So yes, students need to be at school for 2A/3A lunch. Students' attendance will be calculated based on the time of their swipe since there is no advisory on these days. The attendance policy is still in effect. A non-swipe for the day and/or a non-swipe for 2A/3A lunch day will be considered an unexcused absence (i.e., a cut).

Do students with 6B/7B lunch need to stay until 2:26?

Yes. The school day ends at 2:26pm which is when students will be officially dismissed. Students will remain on campus the entire day with the exception of the 70-minute off-campus lunch from 11:44am-12:44pm. Students will not be admitted late to final exams at 12:54pm. So please do make sure you are on time returning from lunch should you decide to go off campus.

Do I have to leave campus for lunch or can I stay and study with my friends?

The library, cafeteria, and first-floor atrium will be open to students for studying, collaboration, practicing for presentations and completion of projects. These areas will be open during periods 2, 3, 6, and 7. In special cases, and with teacher approval, students may take rescheduled finals or work with their teachers during those times. We will also monitor swipes to make sure that students are actually in the building during these periods. Students who are not in attendance during these periods will be subject to an unexcused absence (i.e., cut) and consequences outlined in the attendance policy.

What happens on the day we have make-ups, during the "make-up time period"?

The make-up period will be an enrichment period. Students will need to sign-up for an enrichment, on Selenium. A few notes:

- Departments will schedule make-up exams with students. These make-up exams will also be listed in Selenium, so if you need to take a make-up exam for a class, please check Selenium and also communicate with your teacher.
- Students who work with Resource Teachers (Ms. Robinson, Mr. Frost, Mrs. Daniel, or Mrs. Wynn) will also need to speak with their teachers regarding scheduling make-ups and time utilization.
- There will also be other enrichments available for students to enjoy on this day. Be sure to check out Selenium for other options.

Are there enrichments at 2:26 on exam days?

No. The only official enrichment time is during make-up time only. Student dismissal is at 2:26pm.
